

A Snowy Adventure to Game Creek!

Game Creek Restaurant is Vail Mountain's most exclusive dining experience as a private club facility accessible only on skis or by the Club's special "Club Cat" Snowcat shuttle. Layer up and prepare for an snowy adventure to get to the top! We will take a short ride up the Eagle Bahn Gondola to Eagle's Nest, where a Snowcat shuttle will take us to the warm and cozy European-style chalet. The entire club has been reserved for SIGMA guests only!

Located in the White River National Forest, Game Creek offers some of the most spectacular views of the Vail Valley. We will start with a cocktail reception in front of the roaring fire, followed by a dinner inspired by Contemporary Regional American Cuisine with an emphasis on fresh Colorado ingredients. With their 5 star menu, breathtaking views and extensive wine list, this is a unique dining experience second to none. Scroll below to see some fantastic photos of Game Creek!
