**DUES**

Independent gasoline marketer companies vary greatly in size and type of operations. In an effort to spread SIGMA's operating costs as equitably as possible among members, dues are structured so smaller companies pay less than larger ones. To be even more fair, "size of company" is measured both on number of outlets and on sales volume of motor fuel. Include all subsidiaries and controlled affiliates (over 50% ownership).

**SIGMA Monthly Dues Schedule**

*(Minimum monthly dues are \$60.50 per month)*
