

Bethany Schultz is a Senior Manager of Wholesale at Mansfield Energy. With over 10 years of experience in the fuel industry, they specialize in leading Wholesale's Sales and Operations teams and are responsible for the overall success of Mansfield's unbranded wholesale fuel business. They are passionate about Wholesale's mission to be the most respected, trusted, and preferred national supply partner in the US and have led multiple cross-departmental projects to exceed volume growth goals and inspire continued process improvement. In their spare time, they enjoy golfing and reading.
